

Meet most trendy fixtures in the world

high quality, perfect and utmost beauty in every detail

from true passion comes great design

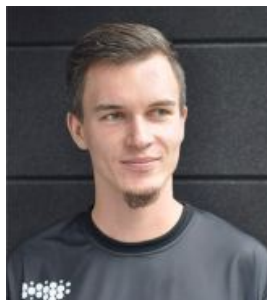

At Portman Custom Lights, our aim is to design and create stage lighting of remarkable quality that intensifies the experience of any event.

Portman Custom Lights was founded as a passion for great design.

At Portman, we work hard everyday in our R&D process to develop new, beautiful and amazing fixtures.

- all electronics and dimmers on board
- many rigging possibilities on tripods, on the ground or hung from structures

P2 hexaline

page 8

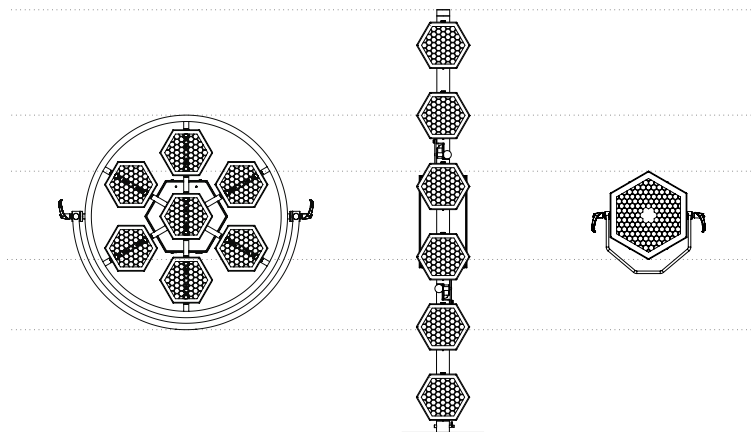

- 6 separate DMX channels 6 x 230W halogen lamps
- ~175 cm of height ~10kg of weight
- all electronics and dimmers on board
- special bending system allows for building honeycomb structures

P3 PIX3L

page 12

- 3 separate DMX channels 3 x 230W halogen lamps
- ~35 cm in diameter ~3,5kg of weight
- all electronics and dimmers on board
- special rigging system for constructing bigger structures and shapes

**P1 RETRO
LAMP**

OVERVIEW

- beautiful and high quality
- 7 separate DMX channels
- all electronics and dimmers on board
- 7 x 230W halogen
- 3- and 5-PIN XLR connectors
- built in backlight display
- can be easily installed on tripod or hung by clamp

SPECIFICATION

DIMENSIONS

 **85 x 99 x 17 cm**

WEIGHT

 **12,5 kg**

INPUT VOLTAGE

 **230V 50Hz/60Hz**

COLOR TEMPERATURE

 **2900K**

POWER CONSUMPTION

 **max 2100W**

DMX CHANNELS

 **7**

OTHER FEATURES

- **all electronics and dimmers on board**
- **built-in display**

COUNTRY OF ORIGIN

- **Poland, EU**

CUSTOMIZE YOUR VERSION

COLOR
